

Reduced Hours Policy

Date: 24/7/2025

Reviewed: On going

- If a child requires their hours to be amended parents will be informed via a meeting with the management team and this is at the discretion of the nursery.
- Management will be continuously monitoring the child to be able to increase hours as needed.
- A request for support will be sent to Brighter Futures.
- Interventions and scaffolding will be implemented with the pre-school to aid the child ability to access hours and curriculum.
- Individual adaptations to routines will be made to aid the child.
